Welcome to the final newsletter of the year!
As the end of the school year is now here, I want to thank all those who have made 2015 such a successful year for our students.

It seems only a short time ago that our Kindergarten children were all very small and uncertain of what school was about. They have grown into responsible students, who know all they need to about how school works and what is expected of them.

Our Year 6 students, most of whom have been in attendance at Wisemans Ferry PS for seven years, leave us today, bound for high school. I am confident that they go ready for their next educational journey. I am sure you join me in wishing them well as they move into Year 7.

I am delighted at the way in which the staff has continued to support our children in so many and varied activities throughout this year. From the fundamental teaching and learning done every day in each classroom, to the extra curricula activities they support, through their goodwill and special interests. I wish you all a safe, happy and relaxing holiday, and a very merry Christmas.

### 2016 Student Numbers

As you may be aware, we are currently a few students short of holding onto a third teacher. We may very well have students walk in the door at the beginning of next year and bring our numbers up as has happened before, so plans need to be made for both situations.

Next year, there are a couple of options that could take place, depending on the numbers, but we will definitely be starting off the year with 3 classes, as they are this year. If we do not get the numbers we need for the third teacher, my plan is to run the 3 classes for at least 3 days per week where there will be a large focus on English and Maths. Where possible, I will have sport, music and some other subject areas on the days where students need to be in 2 classes only.

I need to let the Department know of our exact numbers in Term 1, Week 3. I will keep you informed through the newsletters.
Leadership Team 2016

Congratulations to Ashley and Zac for achieving the position of School Captains next year, and Alyssa and Duke for achieving the position of Vice Captains. I’m sure these four students will make the school and community proud as did Mykaela and Henry!

School Website and Facebook

Please note that our school website calendar, http://www.wisemansfe-p.schools.nsw.edu.au/, is where you can find activities, excursions and other important dates and information. Soon we will be attaching notes so if your child misplaces a note, it can be easily downloaded for your convenience.

We will also be using the 'Wisemans Ferry Public School' Facebook page to keep you informed of what is happening around school too.

Presentation Evening

The presentation evening last Tuesday evening was a huge success as worthy students were acknowledged for their effort over the year. Congratulations to those students. We also farewelled Year 6 as they move on to the next exciting chapter of their lives.
Presentation Evening Cont.

Swimming Carnival

What a beautiful day it was for our swimming carnival. A big thank you to the teachers for their organisation. The Small Schools Swimming Carnival will be on Tuesday 9th February. Notes will be sent home early next year for those children attending.

Year 6 Farewell

On Monday night, the teachers escorted Year 6 for dinner to the Wisemans Ferry Inn. We then headed back for the 80s themed disco. Everyone had a great time dancing and singing, and there was lots of fluro moving about the annex. The behaviour of all the students was excellent. A big thank you to the parents for decorating the annex and for the teachers giving up their time to ensure Year 6 had lots of fun.

Year 6 and Mrs Harris!

Mrs Jo’elle Frampton

Fundraising 2016

Our first fundraiser for 2016 will be a BBQ at Bunnings Dural on February 28. These events are hugely successful and raise a substantial amount of money for the school.

Please contact me if you think you might be able to help run the BBQ stall.

PENRITH OBSERVATORY
School of Computing, Engineering and Mathematics

ASTRONOMY NIGHT
Saturday 12 December – 8.00 pm – 10.00 pm
SPACE JUNK - Our planet isn’t the only place we are leaving trash. Orbital debris, the collection of old or unused man-made objects in orbit about the Earth is a real problem to satellites, the ISS and rockets when they launch. The evening will also include a 3D astronomy movie, a tour of the dome area and an opportunity to view the night sky through the observatory’s telescopes.

Cost: Astronomy Nights: $18 adult, $12 child/concession and $59
Bookings are essential. Book and pay online westernsydney.edu.au/observatory, What's On
