Principal’s Report
It has been very chilly of a morning recently and some children are arriving at school without a jumper or jacket. We do recommend children to dress warmly so they don’t get sick. We also encourage students to wash their hands thoroughly to prevent the spreading of germs.

Small School Cross Country
Well done to all of the students who participated at the Cross Country. Mrs Harris was so impressed with the behaviour of all students. Congratulations to Mykaela, Liam, Sky and Kyla who are representing us at the zone carnival today.

Fitness Program
Last fortnight, we began our morning fitness program. There were lots of smiling faces as the children participated in raising heart rates! Our senior students did a great job leading the sessions. Other 5/6 students will run future sessions.

Henny Penny
What an exciting two weeks it has been for Mrs Longhurst and K/1!! They have witnessed chickens hatching and growing, and everyone has been excited watching the chicks grow.

TIPS TO HELP YOUR CHILDREN
- **Times tables** - children in Years 3 to 5 should be practising their multiplication tables as this underpins most problem solving of Mathematics. Children are expected to know their times tables by Stage 3 (Years 5 and 6). Sin-a-long CDs for times tables are available at CD stores and are a great way to help kids learn quickly.

- **Mastering Spelling**
Are you checking your child’s weekly spelling homework? Try talking to your child about how you spell, and what you do when you don’t know how to spell a word. Here’s some advice about how to help your child master spelling.

- **Is your child making friends at school?**
Kids who get on at school tend to be more engaged in learning. Here are some ideas on how to help your child with social skills:

HEAD LICE
It has come to our attention that head lice is rampant at other schools and pre-schools at the moment. There have been reported cases at this school, so we ask that all children’s hair is checked regularly and is treated accordingly. Students found to have lice, should not attend school until treated.
