**Principal's Report**

**Education Week**

What a glorious day on Thursday when families joined us to celebrate all that is Public Education. Mrs Harris engaged students with her Science experiments; Mrs Longhurst got those creative minds working with a craft activity; and Mr Bessell had the students' bodies moving with sport. At WFPS, we are so lucky to be able to teach and learn with these beautiful children who are our future writers, vets, police officers, poets, soldiers, chefs, teachers, mechanics, hairdressers, office workers, engineers and more. Our students have the world at their feet!

**Athletics Track and Field Carnivals**

Yet again, the fabulous students of Wisemans Ferry PS made us proud as they represented the school at the Small Schools Athletics Carnivals. WFPS gained 3rd place at the field events carnival. Behaviour and sportmanship were outstanding. Some students will go on to compete at the District carnival in Week 6. Notes will be sent home to those students soon. Good luck!!

**Workplace Health & Safety – Emergencies**

We are introducing a procedure into our WHS practice whereby we improve our communication with you during emergencies and disasters. A note will be sent home asking for your mobile phone details. Firstly, this is to ensure we have the most up to date details to be able to contact you in case of an emergency or accident with your child at school.

Secondly, in case of extreme weather (like the beginning of Term 2) or bush fires, we will send out an SMS message alerting you about school closures and other updates.

Your mobile phone numbers will be placed on the school mobile phone and messages sent as a school group.

**Chaplaincy Program**

Miss Annie is joining us each Thursday at school for the remainder of the year as part of the Chaplaincy Program for which we gained a grant. Like Joel, Annie will be working with teachers and students in the classroom supporting reading, maths and arts programs. Welcome Annie!
