**Principal’s Report**

**Workplace Health & Safety – Emergencies**

We are introducing a procedure into our WHS practice whereby we improve our communication with you during emergencies and disasters. A note has been sent home asking for your mobile phone details. Firstly, this is to ensure we have the most up to date details to be able to contact you in case of an emergency or accident with your child at school. Secondly, in case of extreme weather (like the beginning of Term 2) or bush fires, we will send out an SMS message alerting you about school closures and other updates.

Your mobile phone numbers will be placed on the school mobile phone and messages sent as a school group. Please return this note ASAP.

**Carpark Safety Concerns**

To do the best we can to ensure the safety of our students, the gate to the teachers’ car park will be closed at 8.30 - 9.15am and 2.15 - 3pm each school day.

Students can be dropped off at the bus bay and walk down the steps through the front entrance gate or alternatively, parking is available on the roadside on the same side of the street as the school.

Please remember, children's safety is our main concern.

**The Partners in Learning parent feedback survey**

Our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement.

The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents’ and carers’ perspectives on their child’s experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school’s support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 17 August and 16 October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated.
