MINI MASTER CHEF - Monday 31st August

The 5/6 class will be cooking a ‘Mini Master Chef’ menu for all students as a fund raising activity. Thank you for returning the note and money. Students will be served their delicious meal on Monday!! If there is something that your child does not like to eat, please send a container along and it will be sent home for you to enjoy.

Sick Students

The last few weeks have been particularly bad for some students and staff in terms of health. A number of children and teachers have been quite ill, having to spend a number of days recovering at home. While attendance is very important to student learning, students who are ill not only don’t learn effectively themselves, but risk infecting others. If your child is sick, I ask that you keep them at home until they are well. This is in their best interests, as well as the well-being of their classmates. You might need to take them to a doctor for a check-up, just to make sure they recover quickly and completely.
