Principal's Report

This week’s newsletter is the final hard copy that will be sent home to all families along with the electronic copy. Next term, families will only receive an electronic copy unless a hard copy has been requested.

Mrs Oliver has reported that she is having a wonderful time on her long service leave so she is extending it until further notice. Thank you Mrs Mac and Mrs Moller for doing a wonderful job in the office.

I am looking forward to a wonderful evening at the P&C Charity Auction tomorrow night. There are some great items up for bidding and lots of fun to be had at the main dining room at Wisemans Ferry Pub. I look forward to seeing many families there. Tickets may be purchased at the door if you haven’t got yours.

Next Friday 26th June is the final day for Term 2. It has been a busy term and the children have earned a well-deserved break. Students return to school Tuesday 14th July while the teachers complete some professional learning at Cattai Public School on Monday 13th July. I trust everyone will have a lovely break over the holiday period and return safe and well for another term of exciting learning.

Casual Work Available

If you are interested in becoming a casual cleaner, working at our school and possibly other local schools, please contact me about this. Hours are somewhat negotiable outside of school hours. Training is involved.

Electronic Devices at School

I would like to remind you that electronic devices such as phones, iPads, IPods etc are not permitted by students at school. If your child brings this to school with your permission, because they may need it after school, the device needs to be handed into the office and collected in the afternoon.

Semester One Reports

You will be receiving your child’s Semester One Report today. The information in this report is about your child’s progress at this point in time. A confirmation note for an interview time will be sent home on Monday. I trust that after receiving reports today, parents/carers will come along and share thoughts and questions with teachers. Please note that 15 minute interview times need to be adhered to so each interview runs to time.

The weekend before last, I attended the 2015 Queensland Moto Trials Championships with my sister Rory, my dad, my friend Ben and his dad. The sections (the obstacle courses) were great as well as my competition. I placed 1st in Junior Seven to Twelves, dropping 20 points, and my opponent who came 2nd dropped 45 points. My sister Rory came 1st in the Open Womens, thrashing her opponents and putting on a great show.
